

## Aleut Communications Services Awarded Contract at Fort Sam Houston

### FOR IMMEDIATE RELEASE

Colorado Springs, CO. (October 7, 2008) – Aleut Communications Services, LLC ([www.aleutcomm.com](http://www.aleutcomm.com)) has been awarded a direct award 8(a) contract to provide technical systems support for the US Army Medical Information Technology Center (USAMITC) at Fort Sam Houston, Texas.

Aleut Communications Services, LLC (ACS) will be responsible for all the technical systems supporting and implementing the Configuration Management Database (CMDB) and Remedy ticketing system. The USAMITC is a subordinate activity of the Medical Research and Materiel Command (MRMC) and is the Information Technology (IT) execution arm of the Army Medical Department (AMEDD). USAMITC provides full life cycle management support for information systems and services for the AMEDD, the Military Health System (MHS), and other Government clients. The USAMITC products and services cover the full spectrum of life cycle capabilities, from needs assessments to acquisition and/or development through operations and sustainment. Contract value is \$167K with all work being performed at Fort Sam Houston, Texas.

Aleut Communications Services, LLC is an 8(a), SBA company and subsidiary to Aleut Management Services, LLC, both are located in Colorado Springs, CO. Aleut is a family of companies with large and diverse reach-back capabilities providing IT, communications, base operations support, construction, and a variety of other services to government agencies. We collectively offer strategic partnerships to our customers through Alaskan Native Corporation benefits and advantages.

Applications for employment can be submitted through the company's website at [www.aleutcomm.com](http://www.aleutcomm.com).
