

ALEUT MANAGEMENT SERVICES OPENS REGIONAL OFFICE IN ANCHORAGE, ALASKA

FOR IMMEDIATE RELEASE

Colorado Springs, CO (July 12, 2010) – Aleut Management Services, LLC (www.aleutmgt.com) announced today that has opened a regional office at 840 “K” Street in Anchorage, Alaska. With this new location, Aleut Management Services (AMS) expands its business presence into Alaska where it will pursue partnering opportunities with other Alaska Native Corporations (ANC’s). In addition, this regional office provides convenient access for shareholders to inquire about employment within the Aleut Family of Companies. An Open House is planned for October 2010, to coincide with The Aleut Corporation Annual Shareholder Conference. The date will be confirmed.

This AMS regional office is managed by Mr. Skoey Vergen, who recently joined AMS as Business Development Manager. Mr. Vergen, an Alaska native and shareholder of The Aleut Corporation, has more than 14 years of experience in operations and program/project management. “We are excited to bring a regional presence to Alaska to serve AMS customers, and the ability to provide Shareholders and their descendants a resource for employment opportunities with the Aleut family of companies,” said Vergen.

Aleut Management Services is an Alaska Native-owned business based in Colorado Springs, Colorado. Aleut is a family of companies with extensive reach-back capabilities providing IT, communications, base operations support, logistics, civil engineering, and a range of other services to the U.S. government. The Aleut Family of Companies offers strategic partnerships to its customers through Alaska Native Corporation benefits and advantages.

Applications for employment may be submitted through the company’s website at www.aleutmgt.com.
